ABOUT US:

H-BIRD AVIATION SERVICES AB

H-Bird is one of the most well-established business jet operators in Scandinavia based in Stockholm – Bromma, Norrköping, Gothenburg and Oslo - Gardemoen. Our fleet consists 9 aircrafts and 7 helicopters, totally air born around 6.000 hours a year. We can offer full service within private jet, air ambulance, flight schooling and cargo. Safety is our highest priority and our pilots are experienced and well trained.

AOC WORLD WIDE

We operate under Swedish AOC permit No. 0070 worldwide.

OCC

H-Bird has a 24/7 operations centre that will take care of the client from day to day basis 365 days a year. They will be your daily contact person with arranging everything that is needed to be taken care of, from arranging ground transportation, logistics, loading, landing permits etc.

SALES

Our sales department is open 24/7 and will make sure to answer all calls and help you with your request.

MAINTENANCE

Our CAMO department oversee the aircraft and its technical record to ensure a safe flight.

H-BIRD AIR AMBULANCE SWEDEN

We have over 20 years of experience from time critical donor flights, with high demand for flexibility and short notice time. 8 years of experience of patient transport with Learjet 45 and more recently King Air 300. 24/7 availability from our base in Norrköping (ESSP) and together with our partner Nordic Safety Group (NSG), H-Bird are approved healthcare providers.
